

Riverwood Landscape Fund

“Gardening for Green”

Can & Bottle Drive

July 30th at the Rec Room at 2 PM!!!

We are collecting cans and plastic bottles eligible for refund!

Please rinse all cans and bottles (*we don't want to collect ants too!*)

No Glass at this time, Please! (*maybe next time!*)

The money will be used to purchase and install plants and other landscape materials to (re-)beautify the Riverwood grounds!!

👍 We hope to make this a quarterly event, to be held along with the July, October, January and April RW Social Events.

👍 For Residents who would like to collect at home and turn in full bags for the fund, please contact someone on the Landscape Committee to work out details.

👍 For Residents with mobility issues, contact someone on the Landscape Committee to arrange to contribute.

Also, we need people to help with 1) hanging up posters, 2) setting up collection bags at the event, 3) gathering up full bags and supplies after the event, 4) getting full bags to cars and taking them to a collection center or retail store.

Would you like to help make this event happen?

Can you help us make this a regular event?

Call Jann Gilbert, 503-880-1364 or

Laurel McAfee, 503-806-0175

Bring your rinsed cans & plastic bottles to the Rec Room on July 30th and help improve the RW landscape!!!
